WOMEN WHO MEAN BUSINESS AWARDS

— *Executive of the Year* —

Sheryl L. Mazirow
President
Mazirow Commercial, Inc.

After 19 years of being a top producer with Grubb & Ellis, Sheryl Mazirow established Mazirow Commercial, the only woman owned tenant representation firm in the Los Angeles Basin.

Under Sheryl's leadership, Mazirow Commercial exclusively represents office tenants in the renewing of leases, exercising of options, securing of new leases in relocations, acquisitions and dispositions of owner user properties. So far this year, Sheryl has represented tenants in real estate transactions in excess of \$8 million and her projected transaction value for 2004 is in excess of \$14 million.

In a male dominated industry, Sheryl wowed the industry earlier this year when she represented one of the largest lease transactions in the 101 Conjeo Technology corridor. Sheryl's goal is to continue providing the high level of quality service she has brought to clients repeatedly over a span of 23 years in the business.
